

Fleet Maintenance Software and Solutions

# Training Seminar Registration Form

Dossier Systems offers a series of hands-on training seminars for Dossier fleet maintenance software. These classes have been carefully structured to provide maximum individual student attention, with 3 different offerings to meet the diverse needs of our customers and their staff. Senior Dossier Systems training department personnel teach all courses. Summary course descriptions, including prerequisites and other information are attached. Please review the information carefully and contact your Account Manager if you have questions about any training seminar or about individualized, custom, or on-site training at your location.

**Seminar Tuitions:**

**I. Dossier Basic & Advanced User Training (3 days):** \$1,295 per student (sales tax may apply)

**II. Manager/Administrator Training\* (2 days):** \$995 per student (sales tax may apply)

\*Prerequisites: At least 6 months or more of hands-on experience and a firm grasp of the Dossier basic features.

**Note:** Attendees are responsible for their own travel and living expenses (such as: airfare, hotel, local transportation, meals...). Registered attendees will receive a letter of confirmation that includes information regarding lodging & travel information no later than thirty (30) days before the scheduled seminar date.
